## POLYGRAPH ASSOCIATION (SAPPA)

### *Functionality Test Certificate*

The South African Professional Polygraph Association (SAPPA) hereby certifies that  
Lafayette Computerized Polygraph Instrument with DAS- Serial Number: 172960FE: **LX4000**

Used by: Certified and Qualified Polygraph Examiner: Sean Wernich

Has been subjected to a functionality test (calibration) on the 3<sup>rd</sup> November 2023 and was found to be in good working order, in terms of the manufacturer's specifications.

The **Pneumatic Activity Seat Sensor** was also tested and found to be in working order.

Functionality test was done by **Ajay Ranchod** using the Polygraph Calibrator with model number: **23188850**.

This Calibrator is a precision instrument designed to test the operating efficiency of all makes and brands of polygraphs, including computerized polygraph systems. It is capable of checking the pneumo, cardio, and GSR / GSG components against factory standards.

This certificate is valid for a period of **6 months** from date of issue
